## Finance Monthly Game Changers Awards 2018

Finance Monthly is thrilled to announce that its eagerly anticipated 2018 Game Changers Awards Edition is now published.

The 2018 Game Changers Awards celebrate the success, innovation and strategic vision of some of the world's most recognised professionals across a wide variety of sectors and industries.

Over a period of several months, Finance Monthly's research department has undertaken extensive research to identify a group of true individuals who are at the very top of their game and are dedicated to achieving success, reaching the top, and making a lasting impact—while inspiring others to do the same.

The final result is a publication detailing individuals who think outside the box, deliver results and have achieved considerable success in their respective sectors. Our Game Changers are consistently forward-thinking and are often found driving fresh ideas and taking steps to achieve the unprecedented. They deserve to know that their hard work has not gone unnoticed!

Finance Monthly would like to thank all contributors and participants in the 2018 Game Changers Awards.

Congratulations to our winners and finalists!
